

REMARKS

The following information and remarks are submitted for entry in the record in the present continuation application.

CLAIM FOR PRIORITIES/REQUEST FOR ACKNOWLEDGMENT

Applicant has amended the specification to include identification of related applications so as to provide identification of all prior applications upon which benefit is claimed in the present case under §120. Acknowledgment of the claim for domestic priority under §120 is respectfully requested.

Further, Applicant claims foreign priority under §119 of JP 02-337118 filed 30 November 1990, for which a claim for priority and certified priority document originally were submitted and acknowledged in prior application Serial No. 07/800,255 filed 29 November 1991, upon which benefit is claimed in the present continuation under §120. Therefore, Applicant respectfully requires written acknowledgment of the completion of all requirements for the claim for foreign priority under §119 in the present continuation.

DRAWINGS

Submitted with the present application are sixteen (16) sheets of formal drawings for Figures 1-7, 8A, 8B, 9, 10, 11A, 11B, 12-15, 16A, 16B, 17A, 17B, 18A, 18B, 19A-19C and 20, incorporating corrections to the drawings which were filed and approved in the prior applications.

Applicant respectfully requests written acknowledgment of the entry and approval of the formal drawings filed with the present application.
